Dear Parents/Whānau

On Tues 15 June, all of Whitney Street School will be walking to attend a show performed by First Class Brass and the Upbeat development Orchestra at the Marlborough Civic Theatre. The show is called 'Heroes- a musical adventure' and it gives a breakdown of the different parts of an orchestra. This is a free show and is funded by the Marlborough District Council.

Ōpaoa and Taylor Classes will be leaving school 12.40pm while the Wairau Classes will aim to leave at 12:45pm - ready for the 1:30pm show. We will all be returning to school once the show is over. The show is approximately 60 minutes long.

Please ensure that your child is wearing:

- sensible walking shoes
- their school fleece

In their school bag please pack:

- a raincoat
- a large water bottle
- an umbrella if they have one

We will be heading to the show come rain or shine - and if it is raining, only those who have wet weather gear will be making the walk.

Each class will be needing *one or two* adults to walk with them to and from the theatre and to help with supervision while we are there. Please indicate on the slip below if you are able to lend a hand and return it to the teacher of your child ASAP.

Many thanks

Whitney Street School Teachers
