MARLBOROUGH

Kiwi Can Open Day 2021

Kia ora koutou e te whānau and greetings everyone!

As you are hopefully aware from previous newsletter information, we are holding a Kiwi Can open day at **Whitney Street School** on **June 17th and 18th**, and we would love for you to come along!

Kiwi Can is run by (us) the Graeme Dingle Foundation Marlborough at your child's school – 'active learning' based lessons which your tamariki attend every week. During their time with us we learn about four core values across the term:

- ★ respect
- ★ resilience
- ★ positive relationships
- ★ integrity

Under these core themes we break each one down into three different 'modules' which we learn about, and these change from year to year.

This term our value is **resilience** and this year our topic is broken into the three modules of:

- ★ goal setting
- ★ problem solving and
- ★ perseverance

On this open day we encourage you to come along and join in on our interactive activities to gain a better understanding of what Kiwi Can is all about.

Please

- ✓ check the timetable below - to see when your child has a Kiwi Can lesson.
- ✓ meet your child in their class - to come over to Kiwi Can, with their class.
- ✓ return with your child to their class after their lesson has finished.

We do ask that you come over and go back with your child's class as our Kiwi Can classes are normally back-to-back, and this will make things more streamlined for everybody.
